

Indiana Judges State Meet Selection Criteria 2008/ 2009

Dear Judges - I would like to apologize for you having to fill out yet another form. The Indiana USAG Board will use this form along with input from the States Clubs and from In-NAWGJ recommendations to help in our selection process for our State meets. This form is due in by Sept 1st and should be sent both to myself and Judy Kemp. We will at Mini-Congress select the Judges for all the State Meets. Thank you for taking the time to fill this out and turn it in. I have included this in a word document and placed it directly on the E-mail sheet so you can respond either way.

Date Range for answers is September 2007-August 2008

Please Check the State Meets you are available for

Check the Location of these Meets as you will be expected to possibly travel on Friday night. It is imperative that we always consider carpooling with the rising cost of fuel. If you are assigned a carpool but choose not to carpool know that you will not be paid mileage.
